

## AC/DC TIG Welding Machine "WB-A350P / A500P"

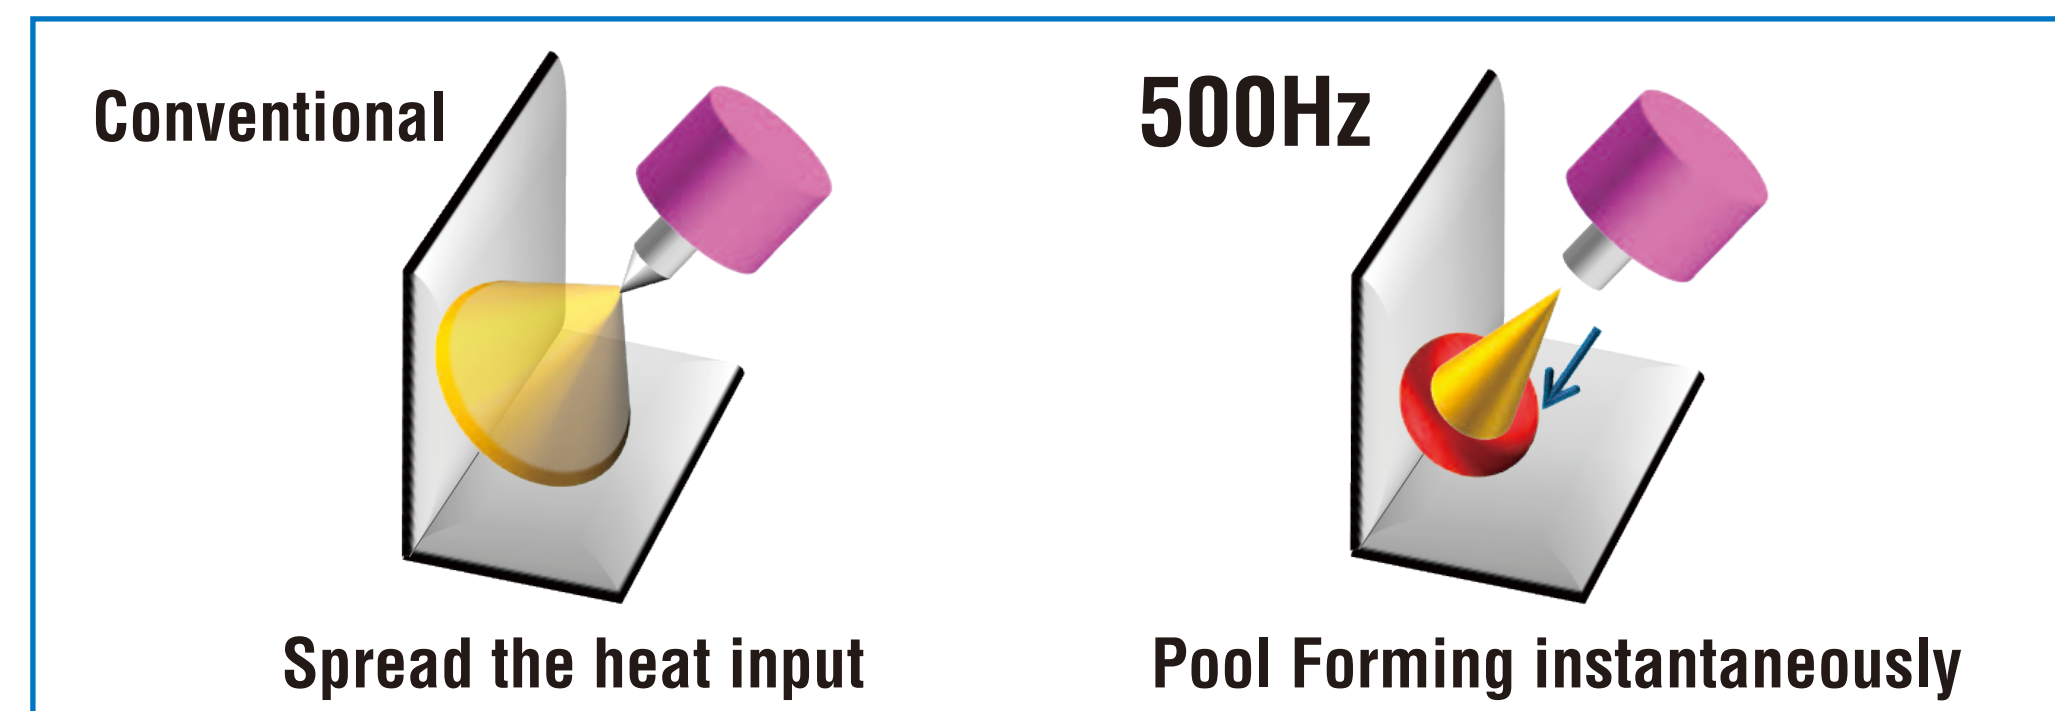

### Realized Highest Arc Concentration in the field

Effect 1. **Penetration quantity will be increased** even same current

Effect 2. **Tack Welding and Starting Speed will be increased triple** by Instantaneous Pool Formation

### Applicable Field

Pressure Vessels, Automobiles, Motorcycles and etc.

### Applicable Material

Aluminum, Stainless Steel, Mild Steel, Titan, Magnesium, Cupper and etc.
